

## Advocate Children's Hospital upgrades will increase patient safety and clinical efficiency

PARK RIDGE, IL — **Advocate Children's Hospital at Advocate Lutheran General Hospital's Physical Plant Upgrade is preparing to enter the final phase of its renovation.** The multi-level project includes renovations to 19,565 SF of their hospital. On the first floor, upgrades are being made to the finishes in the Pediatric Emergency Department. The Pediatric Inpatient floor renovation and refreshed finishes will help create a cohesive aesthetic with the hospital's new emergency department addition and bed tower. Lastly, the fifth floor of the hospital is undergoing finishes upgrades to its patient rooms, dayroom, classroom, exam and intake areas, and a separation between inpatient and outpatient areas is being created. In addition to making the aesthetic cohesive with the hospital's other units, the fifth floor renovations will increase patient safety and clinical efficiency. Matthei & Colin Associates is providing all planning, architecture and interior design services while working closely with DEI, Grumman/Butkus and Leopardo Companies, Inc. on the project.

**Advocate Children's Hospital** has been recognized by *U.S. News & World Report* as one of the Nation's Best Children's Hospitals for pediatric cardiology and heart surgery, and many physicians on staff have been recognized among the Top Doctors regionally and nationally in their field. As part of Advocate Children's Medical Group, their special kid-focused approach creates a compassionate environment where your child can receive the best possible care. Their dedicated team of pediatricians and pediatric specialists work closely to provide individualized care for a full range of conditions—from common to complex. And for parents, they help take the worry out of managing your child's health care by partnering with you every step of the way.

**Matthei & Colin Associates, LLC (M&CA)** has specialized in the planning and design of health care environments since 1974. Through the passion of our creative effort, we have emerged today as one of the nation's few firms exclusively committed to health care architecture. Our singular focus on designing and creating health care environments and our productive client partnerships result in highly individualized planning recommendations to address the requirements of each project.
