

Advocate Children's Hospital upgrade enters final phase of renovation

OAK LAWN, IL — **Advocate Children's Hospital at Advocate Christ Medical Center's Physical Plant Upgrade is entering the final phase of its renovation.** The project includes upgrades to the outpatient waiting area, the creation of additional outpatient clinical exam rooms, new public toilet rooms, and new ICU patient room entrances. The renovations are also upgrading the nurse stations and staff lounges. The project, which is scheduled for completion in February 2018, addresses the need for more exam rooms and a larger waiting area. Matthei & Colin Associates is providing all planning, architecture and interior design while working closely with DEI, Grumman/Butkus and Michuda Construction on the project.

Advocate Children's Hospital has been recognized by *U.S. News & World Report* as one of the Nation's Best Children's Hospitals for pediatric cardiology and heart surgery, and many physicians on staff have been recognized among the Top Doctors regionally and nationally in their field. As part of Advocate Children's Medical Group, their special kid-focused approach creates a compassionate environment where your child can receive the best possible care. Their dedicated team of pediatricians and pediatric specialists work closely to provide individualized care for a full range of conditions—from common to complex. And for parents, they help take the worry out of managing your child's health care by partnering with you every step of the way.

Matthei & Colin Associates, LLC (M&CA) has specialized in the planning and design of health care environments since 1974. Through the passion of our creative effort, we have emerged today as one of the nation's few firms exclusively committed to health care architecture. Our singular focus on designing and creating health care environments and our productive client partnerships result in highly individualized planning recommendations to address the requirements of each project.
