## Matthei & Colin Associates Presenting *Weathering the Storm of Healthcare Reform* at the ASHE 49<sup>th</sup> Annual Conference in San Antonio, Texas on July 16

CHICAGO—[Matthei & Colin Associates](#) (M&CA) will present *Weathering the Storm of Healthcare Reform* at the [ASHE 49<sup>th</sup> Annual Conference](#) in San Antonio, Texas on Monday, July 16. The 75-minute program is an Intermediate Knowledge Level presentation for all healthcare facility managers, engineers, and executives dealing with and managing change.

M&CA's Randall Bacidore, AIA, and William W. Heun, AIA will present new ideas on how to manage change with teams.

By attending this session, you will:

- Learn how to establish a clear vision and achievable goals that become a priority to all participants
- Gain insight on what vital questions to ask to keep the moving forward and engage them
- Discover the right questions to ask to get the answers needed, obtain the critical information, and establish accountability for positive results
- Walk away with immediately applicable strategies and tools to create a sensible yet a progressive pace—not too fast, not too slow

The 49th ASHE Annual Conference will be held on July 15-18 in San Antonio. The American Society Healthcare Engineering (ASHE) technical conference will provide three days of education, professional growth, and networking to healthcare professionals to optimize their health care physical environment. For more information, see <http://www.ashe.org/annual/>.

Here is a [related article](#) on BIM and healthcare facility issues.

Since 1974, [Matthei & Colin Associates](#) (M&CA) has specialized in planning and design of healthcare environments. M&CA is one of ten firms nationally who focus their entire resources to healthcare, and brings an unparalleled depth of experience to every project. Their mission is to deliver imaginative solutions that address both facilities and operational criteria, maximizing staffing, and functional efficiency.
